

# Beavers Take 2 In Loop

The Torondo Little League Beavers took a pair of lopsided games from the Cards and Angels Saturday and Sunday as Beaver bats racked up a total of 25 runs.

The Cards fell before a Beaver attack that netted 15 runs. Pitcher Eddie Augilar allowed three hits and fanned eight. He gave up one run in going the distance for the win.

JOHN LEAKE went two-for-four at the plate and Jim Greenman banged out a double to pace the Beaver hitting attack.

In a second game the Beavers posted a 10-5 win over the Angels, with Eddie Miller going the distance in his first turn on the mound. John Leake went two-for-three, starting in the hitting attack for the second straight day.

IN OTHER action in the Torondo League, the Padres came out on top of the Phillies, 15-5. Steven Voisin picked up his seventh win and went all the way.

Danny Smith and Bob Ament each went three innings for the Phillies, and Ament was tagged with the loss.

# 2nd Spot On Line at Drag Strip

The number two spot in the national dragster ratings will be on the line Saturday night when John Peters of San Antonio meets Dave McKenzie of Downey in a two out of three match race at the Lions Drag Strip in Long Beach.

McKenzie currently holds the second spot in his Howard cam, duel engine dragster; however, Peters holds the world record at 184.82 mph and is favored to win the match.

THE HOWARD cam dragster is the same car that brought Jack Chrisman the national championship last year, but with smaller engines.

Peters will handle the Quincy Auto dragster that won him the Bakersfield Championships earlier this year. The car, like McKenzie's, is powered by two supercharged Chevrolet engines.

BOTH PETERS and McKenzie will compete in the gas eliminator event as well as their match race. Tom McEwen of Long Beach is favored in the eliminator event.

In fuel eliminator competition, several well known drivers are entered. Hank Clark of Norwalk, Glen Stokey of Redondo Beach, and McEwen in a fuel class car, lead the field which is expected to include more than 30 dragsters.

# Greyhound Plans Bus To Del Mar

Special "all-inclusive," excursion-rate, round-trip bus service direct to Del Mar Race Track was inaugurated from Torrance with the opening of the Del Mar horse racing season last Tuesday.

Greyhound's special service to the South Coast track will operate on all racing days—Monday through Saturday—during the 42-day season.

From Torrance, Greyhound's special excursion fare of \$6.25 will include round-trip transportation in reclining seat coaches, admission to the track and all transportation and admission taxes.

Racing-day departure from the Torrance Greyhound Depot will be at 10:10 a.m., with arrival at the track well in advance of post time for the first race.

Only excursion fare tickets will be honored on the Del Mar special buses.

## Public Notice

**TH-93**  
**NOTICE TO BIDDERS ON SCHOOL SUPPLIES, EQUIPMENT AND REPAIRS**

Notice is hereby given that the Board of Education of the Torrance Unified School District of Los Angeles County will receive bids for furnishing certain school supplies, equipment, and repairs as per list and specifications on file in the Business Office, 2335 Plaza del Amo, Torrance, California.

Each bid must be submitted on a printed form furnished by the Board of Education; must be sealed and in the business office of the Board before Friday, August 2, 1962, at 10 A.M. and will be opened in public at that time and place. Each bid aggregating \$1,000 or over must be accompanied by a certified or cashier's check for not less than 5% of the total amount of bid; provided that if only certain items of a bid are accepted the bidder may thereupon substitute a certified or cashier's check for 5% of the aggregate amount of the accepted items on his bid; and providing further that firms doing business regularly with the Board of Education may at the discretion of the Business Office and in lieu of the above mentioned check file with the Torrance Unified School District, an annual or continuing surety company's bond in the sum not less than \$500.00 to insure compliance with the terms of their signed bids submitted from time to time during the life of the bond.

The above mentioned check or bidder's bond shall be given as a guarantee that the bidder will comply with the terms of his signed bid; and if the successful bidder fails to do so, his bid and his check or bond will be forfeited.

Preference shall be given to supplies, materials or equipment produced, manufactured or grown in the State of California.

The Board reserves the right to reject any and all bids, or any part of a bid, and to waive any informality in the bids received.

Firms or individuals desiring to submit bids from time to time on school supplies and equipment, should list themselves with said Business Office of the Torrance Unified School District.

S. G. Waldrip  
Assistant Superintendent—  
Business Office  
Torrance Unified School  
District  
Dated Torrance, California, Mar. 6, 1962.

## Cowboys and Engines by Irwin Caplan

# Cowboys and Engines

The Travellers Safety Service

Cowboys with engines caused more than 3,000,000 casualties in 1961.

Army Private Vernon C. Hays, is presently undergoing basic Infantry training at Ft. Ord.

The eight-week program consists of such vital military subjects as rifle marksmanship, Infantry tactics, first aid, military justice and the conservation and maximum utilization of military supplies. Upon completion of his basic training, the soldier will go on to either advance Infantry training or to one of the many Army specialist schools.

Private Hays, son of Mrs. Clara E. Hays, 20853 Denker, attended Gardena High School.

Pfc. Donald G. Butler, USMC, son of Mr. and Mrs. D. Butler, 22945 Menlo Ave., returned to Camp Lejeune, N.C., June 30 after completing eight weeks of training maneuvers in the Caribbean area with the Third Battalion, Sixth Marine Regiment of the Second Marine Division.

Training exercises were conducted on the island of Vieques, Puerto Rico, and the Marines were able to visit the historic city of San Juan.
